## IT WAS A DRAW.

Jack Hamilton was All Oscar Gardner Could Handle—The Visitor was Superior in Steam and Condition.

One of the biggest crowds ever at the Metropolitan Athletic Club witnessed last night's engagement between Oscar Gardner and Jack Hamilton, of Troy, N. Y. They saw twenty rounds of clean and exciting boxing, and the decision of a draw was eminently satisfactory. Each boxer had a decision over the other, and a previous draw, Gardner's friends were hoping that he would beat Hamilton decisively last night, but the best he could do was another draw, and there were times when an draw was in distress. Those who know him say he didn't do any training for the contest. That he was not in the best condition was apparent, for when it seemed as though he had Hamilton going, Oscar failed to wade in, and no looked tired at the end of the first round.

He did not show the vim and snap of former days, and in Hamilton he had all he could handle. The latter gentleman was husky, and in splendid condition. The weight was 122 pounds at 3 p. m., which Hamilton, who is bigger than Gardner, made by a shave, after careful training. He was the aggressor most of the time, and could have stood the pace all night, but Gardner showed exhaustion every round, and particularly toward the close. This result will stimulate the desire to see Oscar and Jack McClelland meet, and Gardner would not be as heavy a favorite as some months ago, for judged by last night's performance, he shows signs of having gone back.

The big crowd was disappointed in the preliminary. Howard Smith, the colored Chicagoan, quit after one round with "Squirrel" Finerty, claiming that he had injured his hand. In the crowd were many visitors from Pittsburgh, Steubenville, Zanesville, Washington and surrounding towns. Oscar Gardner is a great drawing card, for it is assumed that there will be a fight when he enters the ring.

The principals entered the ring at 9:15 o'clock. Oscar was seconded by Eddie Gardner, "Jimmy" Gordon, of Washington, Pa., and Mesias. Nau and Morgan, of the East End. Behind Hamilton was "Jimmy" Dime, the Troy, N. Y. lightweight, and James Cramer.

The first round opened at a slashing pace. Oscar bored in for the body, and hammered it and the jaw. Hamilton countered hard, but he wasn't fast enough for the local boy, who punished him severely. Once Jack went down on the knee and another time he was wrenched through the ropes.

They were more cautious at the opening of the second round. Oscar's blows were cleaner. Hamilton, who had steam to burn, kept him busy, but Oscar drove both hands to the body nicely in the close range battling. Oscar returned to his corner with the blood streaming from his eyes, while Hamilton's face was swollen.

In the third round Oscar complained to Referee Murphy that Jack was butting him in the eye. Jack forced the pace in this round, going after Oscar's damaged optic. He was pushing Oscar close.

Hamilton was too eager in the next round, and missed many swings. Oscar drove him back with a stomach jolt that set the crowd wild.

The sixth was very hot. Hamilton, while awkward, was stronger, and when he landed it told. Toward the close Oscar reversed the situation, and it looked like Hamilton's finish.

In the seventh Oscar contented himself at first with blocking, wandering around as if groggy. Then he appeared to wake up, and he slammed Mr. Hamilton around in great style.

Oscar extracted the crimson from Jack's nose in the eighth, and the latter reopened Oscar's left eye. Oscar soaked him good in the stomach, but Hamilton always came back with stiff punches. He was tough as leather.

Oscar Gardner's favorite position is the center of the ring, and Hamilton tried in vain to force him into a corner in the ninth. They mixed it with a vengeance, and Oscar's cleverness told.

Hamilton came up fresh as ever in the thirteenth round, and returned telling blows. He landed several stingers on the jaw, and was dangerous to Gardner's life at any stage.

Oscar scored a clean knock down, the first of the contest, in the sixteenth. It was a right hook on the jaw. Hamilton was up immediately, and was given a few more in the stomach, the bell coming to his rescue.

Hamilton showed no weakness in the succeeding rounds, and he sent back more than he received. He was the aggressor throughout the eighteenth. No damage was done, however. He punished Gardner with his relentless aggressive attack in the nineteenth, landing on jaw and ribs. Oscar made a great stand once, and easily excelled Hamilton, but he hadn't the wind and steam to keep it up.

The final round was mix all the time. Oscar drew the blood again from Jack's nose, and turned him around on his feet with a stomach jolt. But Jack stayed with him, and Oscar did not care to risk too much. Oscar's mouth and eyes were red with blood at the close. Hamilton's face was puffed. He was too strong and big for Gardner.

## Your Mask

Nothing tells of age so quickly as gray hair. But age is only a mask! Why wear it longer? Better put it aside. Better restore color to your gray hair, all the rich, dark color of early life.

You can do this by using Ayer's Hair Vigor.

It always restores color to gray hair, stops falling, and makes the hair grow thick and long. For 60 years this has been the leading hair preparation of the world. It's a long record and stands as positive proof of genuine merit. We know you will be greatly pleased if you will only give our Hair Vigor a good trial.

\$1.00 a bottle. All druggists. Ayer's Hair Vigor stopped the falling of my hair and restored it to its natural color. Mrs. E. Z. DeCoursey, April 21, 1899.

## DON'T NEGLECT YOUR KIDNEYS.

Weak Kidneys Caused by Over-work, by Lifting or a Strain.

To Prove What Swamp-Root, the Great Kidney Remedy, Will Do for You, Every Reader of the Intelligencer May Have a Sample Bottle Sent Free by Mail.

It used to be considered that only ordinary urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

So when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, and if permitted to continue fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day, and obliges you to get up many times during the night. Causes puffiness or dark circles under the eyes, rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles, makes your head ache and back ache, causes indigestion, stomach and liver trouble; you get a sallow, yellow complexion.

Weak kidneys, you may have plenty of ambition, but no strength; get weak and waste away. If your water, when allowed to remain undisturbed in a glass or bottle for twenty-four hours, forms a sediment or settling or has a cloudy appearance, or if small particles float about in it, it is evidence that your kidneys and bladder need immediate attention.

Swamp-Root is the great discovery of the eminent kidney specialist, Dr. Kilmer, and is used in the leading hospitals; recommended by skillful physicians in their private practice; and is taken by doctors themselves who have kidney ailments, because they recognize in it the greatest and most successful remedy for kidney and bladder troubles that science has ever been able to compound.

If you have the slightest symptoms of kidney or bladder trouble, or if there is a trace of it in your family history, send at once to Dr. Kilmer & Co., Binghamton, N. Y., who will gladly send you, by mail immediately, without cost to you, a sample bottle of Swamp-Root and a book containing many of the most interesting and valuable testimonials received from sufferers cured. Be sure to say that you read this generous offer in the Wheeling Daily Intelligencer.

Swamp-Root is pleasant to take and is for sale the world over at druggists in bottles of two sizes and two prices, fifty cents and one dollar. Remember the name, Swamp-Root, and the address, Binghamton, N. Y.

## BENWOOD.

News Notes From the Busy Marshall County Town.

The new council will be sworn in at to-night's meeting and the new body will then make its appointments. There are five Republicans to three Democrats in council and the Republican caucus Saturday night is said to have fixed on the following for the respective appointive offices:

Assessor—Will Nolte, of the First ward.

Treasurer—E. M. Noel, of the Second ward.

Health Officer—Dr. J. W. McDonald, of the Third ward.

Police—George Ernest, of the First ward; Albert Polley, of the Second ward, and George Adlesberger and John Bogard, of the Fourth ward.

The caucus is doubtless binding, but there may be an effort made to break it, and one Republican bolter with the three Democrats would cause a tie, in which event the mayor would cast the deciding vote.

One of the retiring city officials who has attained an excellent record is Dr. J. N. Alley, city health officer. Although a Republican, Dr. Alley was appointed by a Democratic administration. But this was because there is no Democratic physician in the town. Dr. Alley made systematic quarterly reports, and the manner in which he handled the smallpox cases at the junction about a year ago, won for him more than local renown.

It is not impertinent to suggest to council that it use its best endeavors to select a steady and competent body of blue-coated guardians of the peace. No doubt such a body will be chosen. Citizens at large are interested in this selection, and the Republicans will strengthen their party by doing the right thing.

A window was broken in a saloon, in the central part of town Sunday night, on account of a difficulty between the proprietor and a customer. A pistol shot is alleged to have broken the glass. No arrests were made.

The Epworth League will give a pleasing entertainment at the Methodist Episcopal church this evening. Misses Bertha and Nellie Riddle will receive, and there will be other interesting features.

Shane L. Bell was reported as being critically ill last evening, and grave fears of his death were entertained. Mr. Bell is a well liked citizen and his death would occasion general regret.

Ed. M. Noel, the main street barber, will leave shortly to visit his parents in Maryland, incidentally visiting Baltimore and Philadelphia. He will be gone six weeks.

Miss Hattie Satterfield has returned from a pleasant visit to Steubenville friends.

About twenty-five Benwood sports attended the Garden-Hamilton fight last night.
